Alternatively, it is advised that any players using these change rooms may bring their personal belongings to the team’s assigned change room prior to the start of their game.

THE TOURNAMENT WILL NOT BE RESPONSIBLE FOR THE LOSS OF ANY VALUABLES FROM ANY DRESSING ROOMS USED DURING TOURNAMENT PLAY.

Home Team determination for Semi-final and Championship Games:

In the semi final games, positions have been determined based on placing as to which game winner will face whom - in keeping with the typical play down cross over round robin based result format. Lower seeded teams may in fact become the home team for a game. This is pre-listed on the schedule and will remain so no matter which teams win in the quarter finals.

However, for the Championship games, the team with the highest ranking (based on the round robin results plus if required the tie breaker rules being applied) will be determined to be the home team for the championship game. Tournament Director’s decision is final.

CHAMPIONSHIP GAME AWARDS:

Each team who wins a Silver Stick Division Championship will receive a Silver Stick Champions banner from Silver Stick International and the Pelham Regional Silver Stick Tournament. This team will also receive their official invitation to the Silver Stick Finals Tournament.

Each team in the finals will also receive a medal for each player.

Note – Upon completion of each Division Championship Game and Tournament Awards Presentation, teams will be granted 5 minutes on-ice photos. Only 5 minutes will be allocated so that we can maintain our scheduled ice times and start times.

OVERTIME RULES

TOURNAMENT ROUND ROBIN GAMES:

No overtime to be played in Round Robin Games.

QUARTER-FINAL, SEMI-FINAL & CHAMPIONSHIP GAMES:

Quarter-Final, Semi-Final and Championship Games will have OVERTIME should the game be tied at the end of regulation time. (See section entitled *Overtime Game Play Provisions*).

Overtime Game Play Provisions (As per Silver Stick International Tournament Standards (2016))

These apply to any game designated as an “Elimination Game” (Quarter-Finals, Semi-Finals & Championship Games).

- 1) If there is a tie after regulation time in the Quarter-Final, Semi-Final or Championship game, a sudden victory 5:00 minute stop-time period with 4 skaters vs. 4 skaters (with goalies) will commence. If the score remains tied after this 5 minutes, then teams will commence a 3 on 3 situation for 2 minutes of game clock time.
- 2) When regulation time ends and the teams are 5 on 3, teams will start the overtime period 5 on 3. Once player strength reaches 5 on 4 or 5 on 5, at the next stoppage of play, player strength is adjusted to 4 on 3 or 4 on 4, as appropriate. The same theory applied to the 3 on 3 OT – a team cannot have less than 3 skaters on the ice – so if a penalty occurs, the team with the powerplay would be in a 4 on 3 situation.
- 3) After the 5 minute sudden victory overtime period followed by the 2 minute overtime period, **if the game remains tied**, three (3) players (shooters) from each team (list of 3 shooters to be provided to Tournament Convener prior to each elimination game as part of the Game Sheet completion process) shall participate in a shootout. Each team will take three shots unless the outcome is determined earlier in the shootout. This will not be done simultaneously...but rather one shooter at a time. The HOME team chooses whether they want to shoot first or second.
- 4) After each team has taken three shots, if the score remains tied, the shootout will proceed to a "sudden victory" format. **No player may shoot twice until everyone** who is eligible has taken a shot attempt (not including goalies). The rotation of which team shoots first will continue.
- 5) All players are eligible to participate in the shootout unless they are serving a ten (10) minute misconduct or have been ejected from the game for any reason. Minor penalties carrying over to the overtime period or incurred during overtime will NOT disqualify a player from participating in the shoot out.

Ties in the elimination games will be decided using a shoot-out format. Coaches must submit a list of three shooters to the Tournament Convener prior to each Elimination Game as part of the Game Sheet completion process. These will be confidential.

Division Set Ups for 2022

U11

There are 4 teams entered for U11. We will play a round robin with each team, then we will re-seed teams first to fourth, we will enter into a playdown from there on Sunday. Each team gets a four game minimum and the fourth game is an elimination game.

U13 and U15

For U13 and U15 divisions – we have five teams entered at each of these age groups. Therefore, we will do a full round robin where each team will play each other once (by age group). This will be done over five rounds, so one team will sit out each round. At the conclusion of the round robin, the top two teams will advance to Sunday's Championship game and any tie breaker rules will come into effect to determine the final two teams. This means that round robin games have important implications. Each team will get a minimum of four games as well.

U18

The U18 division has six teams entered and will be divided into two pools of three teams. There will be a full crossover round robin in play for teams. At the end of the round robin, teams will be reseeded within their pools and enter into the quarter finals to start eliminating teams from the competition. The first place team after the round robin will receive a bye into the semi finals for each pool/group.

Tie-Breaker Determination Method

In the event teams are tied in points at the end of the round robin, standings will be determined by the first of the following items to produce a winner. This will be important during this 2022 Tournament as this may assist in determining which teams advance to the Finals in both the U13 and U15 divisions. Please review.....

Tie-Breakers for Round Robin Play/Qualifying (As per Silver Stick International Tournament Standards (2016)):

- 1) Total Points accumulated during Round Robin play.
- 2) Head-to-head record between tied teams.
- 3) Team with best record (most wins counts first) gains higher position
- 4) GFA ** percentage of all games played within the Round Robin or Qualifying Round.
- 5) Lowest total penalty minutes incurred in Tournament within the Round Robin or Qualifying Round
- 6) Team that scored first goal in game between two tied teams
- 7) Coin Toss.

**How to determine a GFA Formula (GFA closest to 1.000 advances)

Goals For + Goals Against = total goals; GFA = goals for divided by total goals.

E.g. 25 + 15 = 40; GFA = 25/40 = .625

Thank you for choosing to participate in the
2022 Pelham Regional Silver Stick®
Tournament. Good luck to all teams!
