The Rome Youth Hockey Association is proud to host competitive hockey at our newly renovated facility. Come play exciting ice hockey at one of the most beautiful facilities in the area. Our state of the art \$3.5 million renovation completed in 2008 includes:

- Completely renovated ice surface and refrigeration equipment as well as all the facilities major systems (heating, plumbing, electrical, etc.).
- Construction of five new locker rooms
- All-new bleacher seating
- Extended ice surface 15-feet to the standard dimensions of 85 ft x 200 ft.
- Improvements and renovations to the warming room and concession area
