"BEAUTIFUL HOTEL! FABULOUS MEAL!"

October 2014, TripAdvisor Review

'Parlour Inn was everything I expected it to be and more. The old world charm and modern amenities were a perfect blend. Price was affordable for a one bedroom suite... microwave, fridge, Keurig, bathrobes made stay more comfortable... the rose on the pillow upon return from dinner was a totally unexpected but lovely surprise. Dinner in the Parlour Gastro Pub was out of this world... highly recommend... when we next go to Stratford, I know where to stay.'
