

AA Rocky Mountain Regional Silver Stick
Westminster, Colorado
October 11 - 14, 2018

Dear Participants and Fans,

On behalf of the International Silver Stick®, Hyland Hills Hockey Association, Arvada Hockey Association, and Boulder Hockey Club we would like to welcome you to the 2018/2019 Rocky Mountain Regional Silver Stick® Tournament. We are excited to welcome teams from Colorado, Arizona, Idaho, Nebraska, Iowa, New Mexico, Wyoming, South Dakota, Montana, Texas and Utah participating in this year's Regional.

We are honored to have all these teams here to compete for the opportunity to represent the Rocky Mountain States at the International Finals in January 2019. We look forward to an exciting weekend of competition, great hockey, sportsmanship, and international goodwill, which is the tradition of Silver Stick®.

The Rocky Mountain Silver Stick® is played at three outstanding venues: The Ice Centre at the Promenade, Apex Recreation Center, and the Sports Stable at Superior. Please join us in thanking these Associations, their Board of Directors, the Hockey Directors, ice rink staff, and numerous volunteers for their continued support of this tournament. Without the help and energy of parents, team officials, and referees this great opportunity for youth hockey would not be possible.

We hope you enjoy your stay in Westminster, Arvada, and Superior and that your Rocky Mountain Regional Silver Stick® experience is one you will remember. If you have any questions regarding activities and places to see while visiting, please stop by the tournament information table and the staff will be happy to assist you.

Good luck to all teams and have a great time.

Jack and Traci Haake
Rocky Mountain Silver Stick® Tournament Directors

THE SILVER STICK® STORY

The founder of International Silver Stick® Hockey Association, Mr. Jack Kinsella, was born in Regina, Saskatchewan, April 12 1908. He moved to Ottawa, Ontario as a child, and it was in this city that the idea of Silver Stick® originated in 1957. The purpose of the venture was to further International relations between Peewee and Bantam age players from the Richmond, Ontario area south of Ottawa, Canada's Capital, and upper New York State.

The theme of the entire program is to promote citizenship and goodwill through the medium of Silver Stick® hockey, and to foster sportsmanship through International competition for youth of all nations.

A trophy was needed for the tournament, and one of the founders, Mr. Ernie Temple, is credited with the idea of using a long stick instead of a trophy to present to the winners. The stick, made of silver and donated by the Ottawa Citizen newspaper, was used at the first Silver Stick® Tournament in 1958 in Richmond, Ontario. Relative replicas of the original Silver Stick Trophy are used in North American Finals. In 1961, Mr. Kinsella contacted Fred Lamlein of Port Huron, Michigan who then visited with Mr. Kinsella in Ottawa. Following that meeting, Silver Stick® Hockey was introduced to southwestern Ontario with a tournament in Watford. The late Roy Caley of Watford was responsible for organizing and promoting this event.

In 1963, the first North American Finals Tournament took place in Port Huron, Michigan. Jack Kinsella conducted the first Silver Stick® Annual General Meeting on May 19, 1963 to establish the structure and organization of this Association. A constitution and bylaws were adopted and an International Board of Directors was elected. Port Huron was then chosen as the permanent "home" of Silver Stick Hockey, and the site of the Peewee and Bantam Finals each year.

In 1969 Sarnia, Ontario was established as the site of the "Atom and Midget" Finals Tournament each year. In subsequent years, new Finals were introduced at other locations, as new divisions, and girls' hockey were added to the Silver Stick® line-up.

Mr. Kinsella (at the age of 100) died in Ottawa, Ontario on March 14, 2007, the same year that the 50th Anniversary of International Silver Stick® was celebrated. The highlight of the year's celebrations was when Tom Cowick, a Silver Stick Pioneer who coached a Richmond, Ontario team in 1959 against Potsdam N.Y. organized a 50th Anniversary celebration for Richmond and held it on Feb. 16, 2008. It included games between Richmond and Potsdam Peewee and Bantam teams, and was attended by the U.S. Ambassador to Canada and a Canadian Cabinet Minister, just like 50 years earlier. The original Silver Stick® trophy used in 1958, which now rests in the Hockey Hall of Fame in Toronto, was also used during the Richmond celebrations.

The International Silver Stick® Board of Directors is headed by a Commissioner, Deputy Commissioner, Second Deputy Commissioner, Executive Director and Immediate Past Commissioner. Also fourteen International Directors, seven representing Canada and seven representing the U.S.A. are elected for two year terms at the annual meeting in June each year. This board is honored to host an international competition for more than 65,000 youth each year.

The Rocky Mountain Regional Silver Stick® tournament has been held in Colorado for more than 25 years for both boys and girls at the competitive and recreational level. Many teams have a chance to compete in the International Silver Stick® Tournament representing the Rocky Mountain region.

Visit the Hockey Hall of Fame in Toronto to see the original Silver Stick® trophy on display. Be a Silver Stick® Finals Champion and have your team's name placed on a plaque in the Hall.

Named after the Ottawa Silver Seven team of the early 1900s, the Silver Stick® was created by Jack Kinsella from Ottawa in 1957. Since the finals in Port Huron, Michigan, the competition has grown to feature upwards of 70,000 participants annually. The original silver stick used for opening ceremonies in 1958 and Mr. Kinsella's green blazer are on display in the Hall.

Each year after the Silver Stick® finals are completed, a plaque is placed in the display case in the Hall listing the team names for the boys, girls and sled Finals Champions for that year.

Larry McGrath Scholarship

The Silver Stick® Scholarship conceived by one of our most devoted worker/promoters and a Past Commissioner of the Association the late Richard (Dick) McGrath of Port Huron, Michigan. Dick and his son Larry could almost always be found together at the arena. Larry often remarked that it would be fitting for the Silver Stick® Organization to provide a scholarship award for deserving hockey players.

In 1970, Larry McGrath met with a fatal accident while at work. In lieu of flowers, Dick and his wife requested that donations be made to the International Silver Stick® Association. That was the beginning of the scholarship funding program that today bears Larry's name.

Additional donations were requested in 1979 when Dick McGrath died and again when one of our founders, Fred Lamlein passed away.

A committee was set up in 1970 to establish guidelines, prepare By-laws and application forms. The amount of \$500 would be presented to one Canadian and one American citizen each year. The International Silver Stick® Scholarship program was formally approved in 1972 by the Board of Directors. The first scholarship awards were made following the 1972-73 hockey season and annually since that time. This hockey season 2016/2017 three American and three Canadians seniors will be awarded a Scholarship of \$2000.

Applications are reviewed and recommendations are made by the Scholarship Committee each spring and then approved and announced at the International Silver Stick Annual Meeting in June each year.

Additional information and applications are available at the International Silver Stick® website: www.silverstick.org.

18. Players should be at the arena 1 hour prior to game time and be ready to go on the ice up to 15 minutes before the scheduled game time for the 5 minute warm-up. At the conclusion of the game, all players must leave the ice immediately after the handshake line.

19. All games will have a 5-minute warm-up. All games will be stop clock and game times are as follows:

U12 PeeWee AA	3, 12-minute periods
U14 Bantam AA	3, 13-minute periods
