

OSMHG – COVID Recap for Silver Stick

Updated – October 30, 2021

The following is a brief overview of the current requirements for participating teams for the upcoming Silver Stick tournament hosted by OSMHG on Nov 5, 6 & 7, 2021

General COVID Guidelines

- All teams to adhere to current Provincial & OMHA covid guidelines for ice programming.
- Any person or team not adhering to the guidelines will be removed from tournament as per the direction of the tournament director.

Arenas

- **Bayshore** - 1900 3rd Ave E, Owen Sound
- **Rec Centre** - 700 10th St E, Owen Sound
- **Meaford** - 151 Collingwood St W, Meaford

Arena Guidelines

- Proof of vaccination is required for all vaccine eligible persons. Players from non-OMHA centres under 18 years of age who are actively participating in a game will not need to show proof of vaccination.
If proof of vaccination is not provided, access to the facilities will be denied.
- COVID vaccination verification for eligible persons will be required upon entry to the facilities. Once vaccine verification is supplied a Wrist Band will be provided for all eligible persons entering the facility. The wrist band will be used for the balance of the event for persons to show as opposed to providing vaccine verification. Please wear for the weekend to reduce congestion at check-in.
- **All persons entering the facility must complete the covid check-in. This is required once a day prior to entering the facilities.**
 - Please use the following link daily - to complete when entering Owen Sound facilities for screening - <https://frm-cvd-ca.esolg.ca/Owen-Sound/Screening-Form>
 - Meaford will have a manual check-in at the door
- Persons permitted 30 minutes prior to ice slot and must exit within 20 minutes of end of ice slot.
- No gathering of persons is permitted
- All facilities are @ **100%** capacity
- All persons within the ice facility must wear masks/face coverings and maintain social distancing where possible.
- Everyone will enter the facility and follow the directional traffic flow as indicated at the facilities.
- If person/persons are not adhering to the covid protocols they will be removed from the tournament by the Tournament director and home association will be notified of issues.

OSMHG – COVID Recap for Silver Stick

Participants

- Players will provide their own Water Bottle (no sharing between players, coaches, and on/off ice officials)
- Players always required to be respectful of situation and others.
- Players will refrain from spitting and or chewing gum during their time in the facility.
- No sharing of food or drink at any time while at the facility

Dressing Room

- All persons (Players & Bench Staff) to wear PPE (face coverings) until their helmets are put on for play and as soon as helmets are removed face coverings to be put back on.
- Showers will be open for usage however teams must have exited the building within **20 minutes** of the completed ice slot and face coverings are not required while using the showers. If any team/person does not adhere to the timelines the tournament convenor will decide the proper course of action.
