

2018 MID-AMERICAN REGIONAL SILVER STICK TOURNAMENT RULES

1. **Playing Rules:** The official USA Hockey Rules shall be used in all divisions except as noted below.
 - a. A one minute rest period will be provided between each period, including overtime.
 - b. All periods will be played using stop time (except when the mercy rule applies).
 - c. **No Time Outs during seeding rounds.** One Time Out per Team is allowed in Semi and Championship Games.
 - d. Mercy Rule: If any game reaches a six (6) goal differential at any time, running time shall be instituted except for goals, penalties, or injuries until the differential falls below six (6) or at the end of the game. **Six (6) is the maximum goal differential used in determining standings.**
 - e. **No overtimes will be played during the round robin or seeding rounds.**
 - f. If the score is tied at the end of regulation time **in an elimination game**, ten (10) minute sudden victory overtime shall be played in stop time. If the tie remains, a shootout will take place until a winner is determined. The procedures for a shootout will be handed out as they arise.

2. Time of Periods:

<u>Division</u>	<u>Warm-up</u>	<u>1</u>	<u>2</u>	<u>3</u>	<u>Overtime</u>
Squirt	3	12	12	12	10 (sudden victory)
Pee Wee	3	13	13	13	10 (sudden victory)
Bantam	3	14	14	14	10 (sudden victory)

3. Time of Penalties

<u>Division</u>	<u>Minor</u>	<u>Major</u>	<u>Misconduct</u>
Squirt	2	5	10
Pee Wee	2	5	10
Bantam	2	5	10

4. **Team Rosters:** For all Silver Stick Hockey Tournaments, teams shall consist of a maximum of twenty (20) players. Two (2) of the players must be dressed as goaltenders if a full twenty (20) player roster is used.

5. **Team Registration:** **TEAMS MUST BE PROPERLY REGISTERED WITH USA HOCKEY.**

6. **Player Registration:** **PLAYERS MUST BE REGISTERED WITH USA HOCKEY.**

Dual Registration: A player who is registered on one or more than one team in a division and is competing in this tournament must declare, before playing any game, which team they will be playing with and must remain with that team for the duration of the tournament. A player is permitted to play on more than one team as long as they are in different age divisions. For example: a squirt age player may play on a Squirt team and a Pee Wee team. They may not play on a Squirt A and a Squirt B team. We will make an exception to this rule only for goalies playing on same-aged teams in that if a team's goalie is unable to play due to injury or illness, another goalie who is double-rostered can play in net for that team as well as the team the goalie declared to play with for the tournament. (Example: Goalie A is Team A's goalie; Goalie B is rostered on Team A and Team B who are playing in same age division(s) at tournament; if Goalie A becomes injured or ill and cannot play in a tournament game, then Goalie B can play in net for both Team A and B during the tournament).

7. **Tournament Registration:** The Team Representative must check in with the Tournament Office one (1) hour before their first game. **Each team must abide by the following:**

Each player and team must be properly registered with USA Hockey and must be able to provide proof of such. The following credentials are required. Please have them organized in a three-ring binder for ease of review.

- a. **USA Hockey Team Membership Application/Official Player Roster.** Your official USA Hockey Roster Form (10T) numbered and signed by District Registrar or Associate Registrar. This must be sent to the Tournament 15 days prior to the start of the Tournament.

- b. **Latest version of the Medical Release authorizing treatment for each player, coach and manager.** (USA Hockey Consent to Treat).
 - c. **Signed USA Hockey Code of Conduct form.**
 - d. Other documents pertinent to team activities and player eligibility.
 - e. If your team is a Mid-Am District team or if your District does screening, we request that your Screening cards are present in your binder.
 - f. **Teams are placed in a division according to their registration with USA Hockey. Tournament Officials may use other criteria available such as the league and division a team plays in or My Hockey rankings to determine if that team is eligible for either the A or B divisions of this tournament. Teams may play up, BUT MAY NOT play down. Example: Any "B" team may play in the A division if they so choose, but an "A" team cannot play in the B division. Moreover, a "AA" team may not play in either division.**
8. **Check-In:** Teams must be present no later than forty-five (45) minutes prior to game time. The Head Coach must sign the score sheet and insure it accurately reflects his team and note any scratches prior to the start of the game. Teams must be on the ice at the designated times or warm-up will be forfeited. When the official is ready to start the game both teams will be ready to play or a forfeit will result.
9. **Player's Bench:** Only rostered team players and a **maximum of four rostered (4) team coaches** may be on the bench. Coaches must be in full compliance on the team's USA Hockey roster. **NO RED-LINED COACHES OR COACHES NOT LISTED ON THE USA HOCKEY ROSTER WILL BE PERMITTED ON THE BENCH.** No parents, spectators, or photographers (except official tournament photographer) are allowed in the bench area.
10. **Off Ice Officials:** The tournament will provide a timekeeper and score keeper for each game. **Each team will be required to provide a penalty bench attendant for each of their games.** This person's responsibility is defined in the USA Hockey Off-Ice Officiating Manual. No other activities shall be performed while serving in this capacity. For example, but not limited to, photography, videotaping, or recording of game statistics. Only the official tournament photographer is permitted to take photos in the penalty box and player bench area.
11. **Captain and Alternate:** The referee or official scorer shall be advised of the name of the captain and alternate prior to the start of each game.
12. **Uniform Colors:** The **HOME** team shall wear either a white or predominately light colored jersey. **If a team has only one set of jerseys, the other team will wear a contrasting color.** The **HOME** team is determined as the first team listed in the round-robin format or the top team listed in the elimination bracket.
13. **Equipment:** All players participating in this tournament must wear equipment that meets the requirements of USA Hockey as defined in the current rulebook. In Mid-Am, Pee Wee and above players **MUST** wear an internal mouthpiece and all players helmet straps **MUST** be fastened.

Round Robin Winner: The standing determination in the round-robin games will be determined by the method defined in the USA Hockey guidebook with the exception that **six (6) goals is the maximum differential allowed when comparing Goals For vs. Goals Against in each game.** Points are as follows: Two (2) points for a win and One (1) point for a tie.

- a. **Tie Breaker rules to determine standing position:** If two or more teams have equal number of points, their position in the standings shall be determined by the following tie-breaker format. If one tie-breaker establishes a clear position for one or more teams, each team is placed in the applicable position. Once a team is placed, the remaining tied teams shall start the tie-breaker process all over again in step 1.
- b. The tie breaker formulas are as follows:
 1. The result of the head to head games played between the tied teams only when all tied teams have played against each other in the round robin games.
 2. Most Wins.
 3. Differential – Subtracting total goals scored against team vs. total goals scored by team from these games, the positions being determined in order of the greatest surplus.
 4. Most periods won – In the games played by each of the tied teams, points will be awarded for each regulation period won. Two (2) points for each regulation period won and One (1) point for each regulation period tied. Position shall be in order of the highest point total.
 5. Quotient – Highest Goal Average (Determined by dividing the Total Goals For (Six Maximum per game) by the sum of the Total Goals For plus the Total Goals against ($TGF \div (TGF + TGA)$)).
 6. Coin Flip.

If after applying the formulas of b1, 2, 3, 4, 5, 6, the tie still exists, we will refer to the USA Hockey Annual Guide under District Playoffs and National Championship.
